

KANSAS CITY MANAGEMENT ASSOCIATION

2019 President's Report

PRESIDENT
Tim Milton
Scottsbluff, NE

Linda Kerr-Davis was appointed the new Regional Commissioner in January 2019. This was not a change for KCMA as we had worked directly with Linda during her time as the Deputy Regional Commissioner. We continue to maintain the strong working relationship with Linda and the rest of her executive team.

VICE-PRESIDENT
Jeffrey Watson
Union, MO

We were able to meet face-to-face with our RC, DRC and the rest of the Executive Team in the regional office on July 23rd. We discussed topics such as: budget, staffing, CS duties, outreach, DIB PSI, TSRP, performance management, RZ Cadre and agency priorities just to name a few. The meeting was very successful and we had a lot of good conversation.

**AREA
REPRESENTATIVES**

As we continue to find ways to recruit new members, we continue to struggle as more managers retire. This year we made a major change to how we look at KCMA's eligible membership. We added the WSU management to be included as full members along with the FO and TSC management. We feel this valuable addition is important to the mission we do every day for the public.

KCMA has started the process to prepare for the 52nd NCSSMA Annual Meeting that will be held in Kansas City, MO in 2021. We are down to the final four hotels on our list and will soon be making a decision about which hotel we will select to host the meeting. We look forward to hosting the meeting, and everyone enjoying that great KC BBQ!

In 2019, KCMA was excited to announce our first Scholarship Program. We are working with the Denver Regional Social Security Management Association (DRSSMA) to select the awardee of each other's respective region. We want to thank DRSSMA for their willingness to work with us, and look forwarding to working with them in future years.
