

NCSSMA Committees & Subcommittees

Overview

- NCSSMA has a total of 9 committees. Some of these committees have subcommittees housed under them.
- The committees and subcommittees are directed by a chair or deputy chair.
- In addition, each committee and subcommittee is comprised of 1 to 4 members from each regional association, including TSC representation.
- Each fiscal year, these committees and subcommittees are tasked with assignments from the NCSSMA Executive Council, SSA, and Capitol Hill.
- The majority of work NCSSMA does is achieved through these committees.
- If you are interested in participating as a committee member, contact your regional association.
